

HOW TO ADOPT MARKETING AUTOMATION

step-by-step

INITIATION STAGE

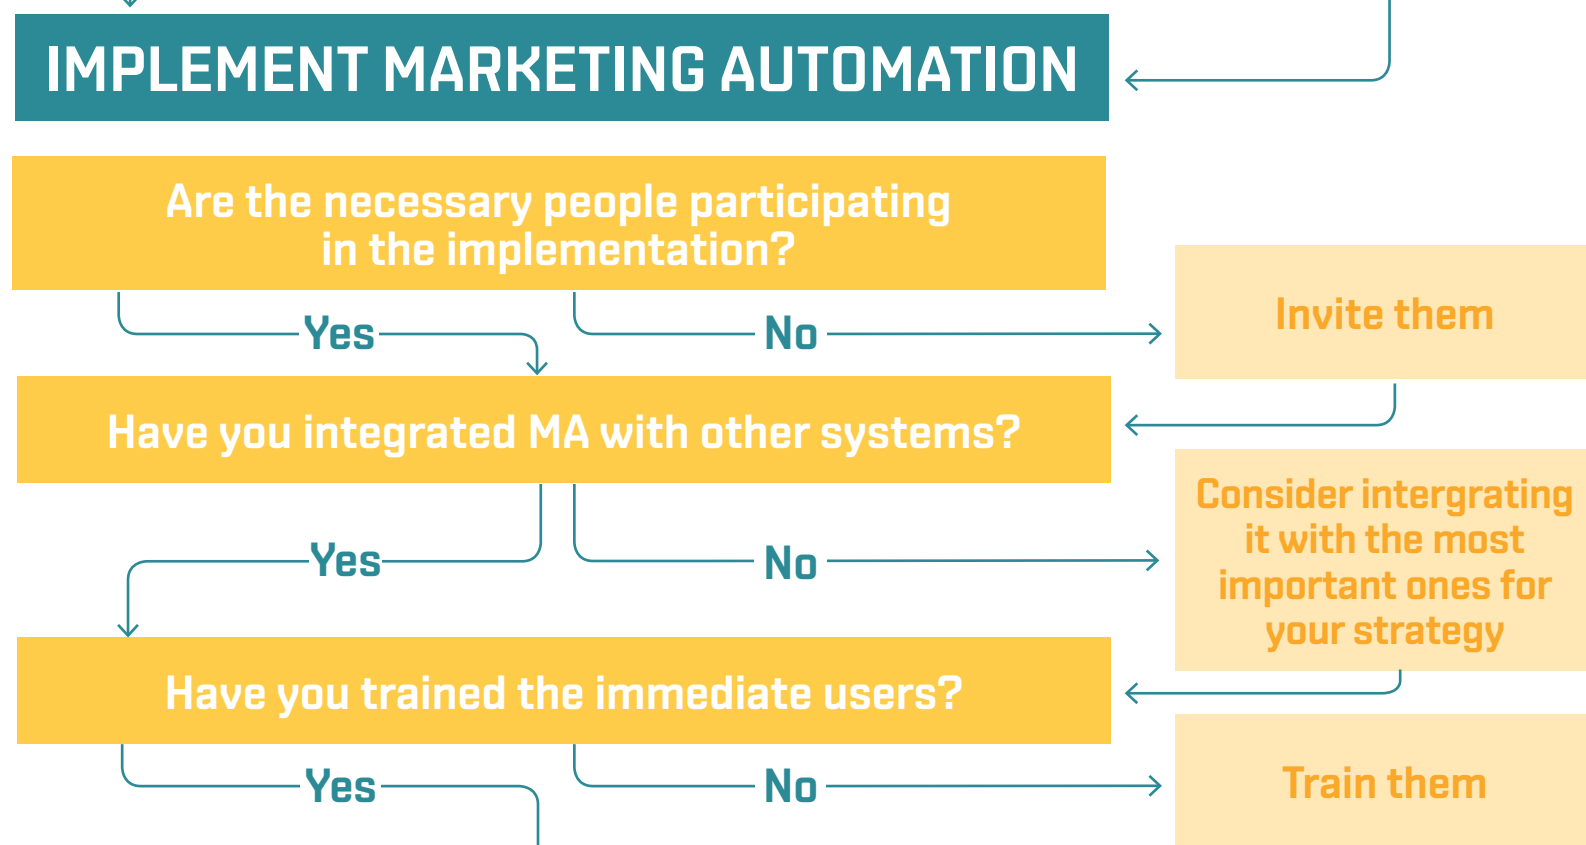

- Which are the objectives?
- What is your strategy to achieve the objectives?
- What resources do you need?
- Who participates and what are their responsibilities?

EVALUATE AND SELECT THE VENDOR

IMPLEMENTATION STAGE

POST-IMPLEMENTATION STAGE

READY TO USE MARKETING AUTOMATION

- Continue developing it
- Integrate it with other needed platforms
- Define how to train other people
- Consider assigning a person to administrate the platform
